

## TEMPORARY ENGLISH TEACHING VACANCIES IN AUSTRALIA

English Language Company is an award-winning English school in the heart of Sydney, Australia. We offer quality language tuition to adult students from over 30 countries. The school is well-equipped and resourced. Our staff are friendly and we have an extensive professional development program which provides support and extension to both new and experienced teachers.

We frequently have temporary positions available (3-6 months) which are ideal for teachers from the UK, Canada and the USA who are coming to Australia on working holiday visas.

A working holiday visa to Australia enables you to live and work here for 1 year (or 2 if you complete 3 month's employment in a rural area). To obtain this you must be aged 18-30. Go to [www.immi.gov.au/visitors/working-holiday/index.htm](http://www.immi.gov.au/visitors/working-holiday/index.htm) for details.

Although you are only able to work for the same employer for a maximum of 6 months. ELC has teamed up with several other quality language schools elsewhere in Australia to whom we can refer you once your contract with ELC has ended. We will also offer you free membership of Work and Travel Company, who will provide you with a range of essential traveller's services in Australia.

The EFL industry in Australia has an excellent reputation internationally. The experience you gain here will be highly valued by institutions elsewhere in the world. Australia is also geographically a great stepping stone to employment in Asia as part of your trip home.
